

Application Deadline:	January 18th, 2022
Position Title	Festival Technical Director
Start Date	January 31st, 2022
End Date	May 13th, 2022
Pay	\$1200 (Honorarium)
Hours	5 to 7 hrs/week (flexible- will be heavier during festival week)
Number of Positions	2

Responsibilities

1. To create a tech week schedule for all necessary projects within The Juvenis Projects.
2. To plan, schedule, and present tech presentations to all necessary projects and participants.
3. To cooperate with your fellow technical director, and oversee technicians for individual projects.
4. To work closely with the Festival Directors to ensure the safety and technical efficiencies of each project.
5. To work closely with the Festival Directors to plan and adhere to deadlines.
6. To carry out any technical tasks not completed by technicians including setting up sound systems, hanging/focusing lights, hanging masking, programming cues, etc.
7. To attend meetings when requested by the Festival Directors and General Manager
8. To understand and ensure that Blue Canoe values are instilled in each interaction.
9. To maintain order within Blue Canoe rented spaces (e.g., office, storage, etc.).
10. All other job duties as assigned by the General Manager and Festival Directors.

Qualifications

1. Must be 30 or under
2. Experience with live sound, soundboards/systems, stage lighting
3. Ability to film and edit videos
4. Interest in the arts
5. Strong organizational and time management skills
6. Strong leadership and communication skills
7. Must possess their own high quality camera
8. Previous experience as a technical director is an asset

We are hiring two tech directors with the hope that one can focus on production tech and the other on digital tech. Specific duties, however, can be assigned within the tech team as seen fit.
